

# Unearthing Gold

**1. What are you secretly really, really good at—but rarely show others?**

.....

.....

.....

.....

**2. Who in your life do you admire or envy? What qualities do they have that you wish you had? (Remember: envy points to your Golden Shadow.)**

.....

.....

.....

.....

**3. When you were young, what did you dream of becoming before the world told you to be realistic?**
