

## The Mirror Work

**1. Who in your life triggers you the most right now? What quality in them bothers you?**

.....

.....

.....

.....

.....

.....

**2. Where might YOU have this same quality, even in a small or hidden way? (Be honest. This is the shadow speaking.)**

.....

.....

.....

.....

.....

.....

**3. What would happen if you owned this quality consciously instead of projecting it?**
